

## Adenauer Schedules Major Address at Press Club Oct. 29

Chancellor Adenauer of West Germany will have two occasions during his forthcoming visit to give the American public his version of Germany's role as a sovereign and rearmied nation.

The German Chancellor has scheduled major public addresses October 29 at a National Press Club luncheon here and November 1 at Columbia University, New York. He comes to Washington October 27.

The chancellor's schedule calls for the usual state festivities and for conferences with President Eisenhower and Secretary of State Dulles.

An honorary doctor of laws degree will be conferred on Mr. Adenauer October 31 at Columbia. The next day he will deliver a lecture there as one of the Gabriel Silver Series, under an endowment to foster international peace. The only previous guest speakers in this series have been President Eisenhower, former Secretary of State Gen. George C. Marshall, and British Foreign Secretary Anthony Eden.
